

HOPE HOUSE

NORTHERN CO

Ahriana, Jayce, & Everett

2021 Annual Report

FROM OUR EXECUTIVE DIRECTOR

2021 was a milestone year for Hope House Northern Colorado and our teen moms. Whether teen moms were working toward their high school diploma or GED, taking parenting classes, receiving counseling, or working toward a certification, they continued taking steps toward self-sufficiency, even with continued challenges from COVID.

We believe that teen mom transformation begins through developing trusting relationships with adults who believe in them.

Teen moms at the Hope House gala

Last year was spent building these relationships so they know Hope House is and will be there to support them. Hope House is honored to walk alongside these moms to help create a better life for them and their little ones.

I am grateful to each donor, volunteer, and organizational partner who is part of the mission to empower teen moms. But most of all, I am grateful to God who knows and sees each teen mom and provides direction how to best serve them.

Colleen Emery, Executive Director
